

The City of Buenos Aires is one of the most beautiful in the world, we show you some of its places...

## CASA ROSADA

In this place we find the "Presidential Palace", you can do a guided visit of the administrative part. It's a recognized national historic monument. ②

## NATIONAL CONGRESS

It's "The House of the Laws." The architecture is beautiful and has the Chamber of Senators and Deputies. ④

## BOOKSHOP "EL ATENEO"

It's the largest bookstore in the country, it's full of books divided into categories. Preserves the aesthetics of the Grand Splendid theater. ①

## THEATER COLÓN

The Teatro Colón is one of the most important opera houses in the world. You can see a play or take a guided tour of its exceptional building. ③

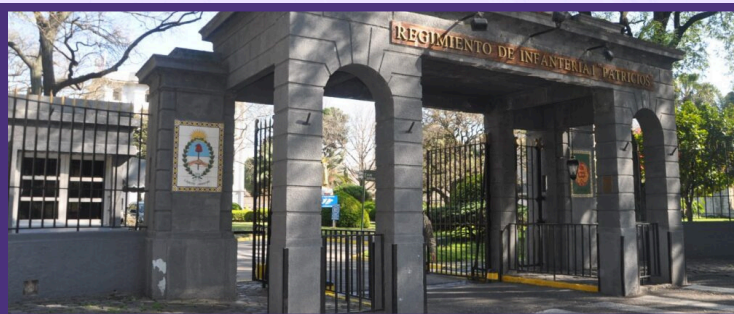

## CEMETERY OF "RECOLETA"

It's an iconic cemetery that contains the mausoleums of famous people. The place is something dark but fascinating. ⑤

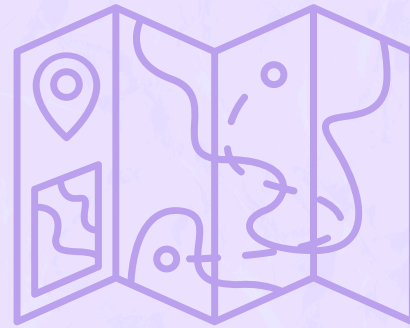

# MUSEUM OF "PATRICIOS"

This museum is located in the Army "I 'Patricios' Infantry Regiment", it shows us the content of the creation of the Army, it's military participation in history and a part dedicated to Malvinas.

## TO CLOSE...

This is a beautiful experience that everyone would like to live. Came to visit new places with your friends and have a very special week with them.
